More than twenty years of experience in personal insurance has helped to make Ramona Johanneson one of Northern California's most respected insurance brokers. As a Top Producer for Farallone, Ramona consistently meets client needs by blending her knowledge, integrity and immediate accessibility.

Ramona has a deep understanding of the prosperous individual's exceptional insurance needs. Ramona spent several years delivering seminars to agents and brokers throughout the West, focusing on identifying and satisfying a client's personal insurance needs. She specializes in finding solutions to complex circumstances—especially for high net worth clients whose assets may include unique combinations of art, jewelry, antiques, multiple homes, and luxury automobiles.

As renowned personal finance expert Suze Orman has said, "Ramona of Farallone Pacific handles my own personal insurance and was an expert consultant for the Suze Orman Insurance Kit. I have confidence in Ramona's knowledge and expertise and trust her advice. Ramona provides a high level of service and is a pleasure to work with. If you want to work with an insurance professional, I recommend you contact Ramona Johanneson."
